

LA LOIRE EN MOUVEMENT DANS CHAQUE VERRE

LES COURANTS
DE LA LOIRE

Rooted in Sainte-Gemme-en-Sancerrois, the Perchaud-Reverdy family has cultivated a deep connection with the vineyard and the Loire landscape for generations. Passed down and shaped over time, the domaine is now led by Cyprien Perchaud, who continues this legacy with care and exacting standards.

Les Courants continues this story as a free and contemporary interpretation of the Loire. Inspired by the river's flow, the range highlights the region's emblematic grape varieties through wines that are fresh, precise, and approachable, crafted above all for enjoyment and sharing.
